

Become a Friend of the Arts!

Put a leaf on our friendship tree!

And a brick on our friendship path!

For \$50.00 you will help keep the Arts Center operational, bring in more quality shows, develop better advertising, and maybe donate to an Arts or Music scholarship. You will receive a leaf, with your name on it, or in memory of a loved one, to be put on our Friendship tree.

For \$125.00 you will receive a bigger leaf, and a Brick that will be installed on the pathway that will be built in the future, which will go from the Arts Center to the outside amphitheater that will be constructed in the spring of 2012.

Let's spring into action and fill this friendship tree with leaves, and walk on the bricks of our friendship path, to keeping the Arts alive in Stanford.
